### RULES AND REGULATIONS

1. A team can have a maximum of 5 members.
2. No participant can be a part of more than one team.
3. The competition will be conducted in 2 rounds.
4. Teams which do not adhere to the rules and regulations can be disqualified at any phase of the event.
5. In case of any dispute, the decision of the Organizing Committee will be final and binding.

#### Preliminary Round :

It will be a Pen and Paper based round. In this round, teams would be given questions on IPL which they have to answer within in the given time. The top 4 teams with the best score will advance to the next round.

#### Final Round :

This includes the real bidding mechanism. Going with the real mechanism of the IPL bidding this round will contain 4 teams. Each team will be given an equal amount of money for the bidding.

Each team will have to bid for a franchisee. Then, they are expected to assemble a team with a mix of batsmen, bowlers, all-rounders and wicket-keeper from a pool of players being auctioned.

A list of all players available for the auction, along with their base price and value points will be provided to the teams in the beginning. Bidding for each player will begin at his base price.

The team has to buy at least 11 players and can buy maximum of 15 players.

At the end of the Game the team has to submit their playing XI.

In playing XI 4 must be foreign players, At least 3 specialist bowlers but in total 5 bowlers(means remaining 2 can be allrounder or specialist bowler) , a wicketkeeper and rest can be bowlers or batsmen.

Judging Criteria : The team with highest total in value points of playing XI at the end of the auction will be declared as the Winner.
